Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

Phase of Journey	Stage 1	Stage 2	Stage 3
Actions <i>What does the customer do?</i>	• Checks soil and weather • Looks for farming advice • Searches online or asks experts	• Opens the OptiCrop app • Enters soil and environmental details • Gets AI crop recommendation	• Selects the recommended crop • Starts cultivation • Monitors crop growth
Touchpoint <i>What part of the service do they interact with?</i>	• Internet • Agriculture officer • Mobile phone	• OptiCrop website/app • AI recommendation system • Input form	• Recommendation report • Farming practices • Crop monitoring
Customer Thought <i>What is the customer thinking?</i>	• Which crop is best? • Will I earn profit? • Can I trust this information?	• Is this recommendation accurate? • Is it suitable for my land? • Can I improve my yield?	• I hope this crop gives good production. • Will market prices remain good? • Did I make the right choice?
Customer Feeling <i>What is the customer feeling?</i>	• Confused, worried, uncertain	• Hopeful, curious, confident	• Satisfied, relieved, motivated

Process Ownership <i>Who is in the lead on this?</i>	Farmer	Farmer + OptiCrop AI System	Farmer
Opportunities <i>How can we improve this stage?</i>	- Provide easy guidance - Support local languages - Simple user interface	- Improve AI accuracy - Give fertilizer and irrigation tips - Faster recommendations	- Send crop care alerts - Provide market price updates - Offer expert support
